Subject: South Cavalcade Briefing - Today at 3 pm
Date: 01/27/2011 08:54 AM

This is to let you know that we will have the South Cavalcade briefing at 3 pm - 3:45 pm today. We can leave after that unless of course you need to stay for the San Jacinto briefing which will follow ours. Just so you all know, I am putting a powerpoint presentation together for this afternoon and flow is as follows:

- Project Team
- Site Location Map
- Site Details Map
- Photos of the capped areas and ground water treatment plant
- Plume maps in the shallow and intermediate zone
- Cumulative DNAPL recovery figure
- Current Status
- Action Items
- Timeline

Please let me know if you have questions. Otherwise see you at 3 pm at the Sam's Conference Room (East). Thanks.

Here is a list of the January Site Briefings with Sam Coleman (set up for Wednesdays from 2:00 - 3:30 p.m. & Thursdays from 3:00 - 4:30 p.m.)
These meetings will be in Sam's conference room.
RPMs need to have their critical path schedule, 1-page fact sheet, and other necessary information.
Charles mentioned that he wanted the RPMs to add the site team to these briefings.
Please pass on to your RPMs.
